

Manuka celebrates

City News.
6 Nov. 08.

THE Annual Doves and Ribbons Day 08, on November 30, will be a giant party in Manuka. The event kicks off World Aids Day celebrations across the capital and the world. It starts at midday with live music, fashion, food and drink, raffles, giveaways and more. This year, the money raised will be donated to OzCots, a project launched in 2003 by Canberra-based Despina Voudouris to support Cotlands, a South African orphanage for HIV/AIDS children.
